## UGC/CSIR-NET FREE COACHING CENTRE

**THIRUVALLUVAR UNIVERSITY (A  
STATE UNIVERSITY) SERKKADU,  
VELLORE - 632115**

### About the Centre

UGC/CSIR-NET free coaching centre is functioning in Thiruvalluvar University, Serkkadu, Vellore-632115 since 2017-18. Realizing the need of students, the Thiruvalluvar University launched this centre. We provide training to face top level competitive examination for all discipline using modern teaching equipments and techniques. Overall, this program is launched for the benefit of the learners. Now a days facing competitive examination by the rural and poor students is herculean task.

Hence keeping it all in mind this centre is launched and designed to simplify the process of preparation for learners with appropriate modern skills, equipments and techniques. This centre aims to provide simple and exhaustive ways of Teaching through interactive and practice sessions along with statistical data behind. This sessions are well designed and structured to cover the topic outlined in the cotemporary world.

### About the Coaching Class

In the past few years a number of studies have been conducted that clearly demonstrate the value, the efficacy, and impact of free coaching for UGC/CSIR-NET in a number of context. This coaching class provides students with daily mock tests and subject wise question papers and practice materials. This helps students practice their understanding and application of various concepts.

However, practice questions are the same for everyone and do not address personal needs. The benefits of coaching is to empowers students and encourages them to take responsibility. To increase employee and staff engagement. To helps identify and develop high potential employees and helps identify both organizational and individual strengths and develop opportunities. UGC/CSIR-NET Coaching for students is an invaluable tool for developing students across a wide range of needs. The benefits of coaching are many 80 percent of student who receive coaching reported increased self confidence, relationships and more effective communication skills. This coaching provides an invaluable space for student developments.

### **Objectives of the UGC/CSIR-NET Coaching Centre**

The centre's objectives is to coach the students from all over Thiruvalluvar University, including those from the local and rural areas to achieve their goal. Therefore, they became Enlightened students, improving the living standard of the families and society with the motive of providing highest quality education to the students, deliver the best study materials featuring concise and compete theory lessons, help the students to realize their potential, to expand and enrich the knowledge base of the students, customized teaching techniques tailor made for each and every student, and always act in the best interest of the students. The specific objectives are;

- 1) To help the students and Research Scholars to familiarize with the concepts.*
- 2) To train the students in order to face the UGC/CSIR-NET, UPSC and other competitive Examination.*
- 3) To help the students in descriptive and inferential analysis.*
- 4) To develop confidence among the students.*
- 5) To facilitate the establishment of a network of students.*
- 6) To guide students for publishable technical writings.*
